Cream Manufacturers Of the State Meet In Annual Convention

Mayor Gordon Welcomes Visitors to the City, and Elkins Man Replies.

The fifth annual convention of the Ice Cream Manufacturers Association of West Virginia is being held in the Waldo hotel here Tuesday to continue through Wednesday. More than 150 leading men of the industry from this and adjoining states are present.

The opening session was scheduled to start at 10 o'clock Tuesday morning but on account of a large number of the principal speakers and others not arriving in the city until almost the noon hour the opening was postponed until 1:30 o'clock.

At 1:30 o'clock, Mayor G. H. Gordon delivered the address of welcome. In behalf of the city officials and the people of Clarksburg in general, Mayor Gordon welcomed the visitors to the city, wished them a good time while here and invited them to return again. The keys of the city were turned over to the committee and some interesting stunts are likely to be pulled off before the convention ends.

S. B. Haffner, of Elkins, responded to Mayor Gordon's address and in a short talk he thanked the mayor for the way he welcomed the convention to the city and in closing said he

knew it would be a real pleasure for each and every one to return here again.

After this address the reading of the minutes of the last convention was taken up following which W. M. D. Sine, president of the association, delivered his annual address.

Truman J. Swager, who is in charge of the entertainment program, has a novel stunt on the program for the evening entertainment, and all citizens are invited to visit the Waldo hotel this evening and witness the initiation of a class of candidates into the order of "The Ice Creams." This organization is confined to ice cream manufacturers and a large class will be initiated into the order.

Among those of the prominent men here for the convention are E. Hendler, of the Hendler Creamery Company, of Baltimore, Md.; W. E. Huffman, of the W. E. Huffman and Company, of Tyngsboro, Pa.; F. M. Slater, of Pittsburgh, and I. N. Hager, of the I. N. Hager Company, of Uniontown, Pa.

DOUBLE CROSSED

Is German Agent Who Came to This Country to Incite Factory Strikes.

NEW YORK, Dec. 8.—Attorney Snowden Marshall declared Tuesday that Franz von Rintelen, the German agent who is accused of coming to this country to incite strikers in munitions factories, armed with a large corruption fund, was "double crossed" by the labor men he tried to corrupt, and despite the expenditure of several hundred thousand dollars failed to accomplish his mission in any effective manner.

Mr. Marshall gave the major credit for Rintelen's failure to the stand taken by high officials in labor organizations.

BRITISH LASS FOILS JOHN BULL; WEDS AMERICAN, THUS CHANGES NATIONALITY

Dr. and Mrs. Byron Moore.

Miss Dorothy Winifred Barfield, a native of British South Africa, was engaged to Dr. Byron Moore, an American. They had planned to be married at Savannah, Ga., Dr. Moore's home. But the British government in these war times makes it hard for its subjects to get out of the country. So it was decided that the couple should be married in South Africa. The wedding ceremony made the British girl an

American. So she got away without trouble, and is now in Savannah with her husband.

TREATY REVISION WILL BE NEEDED

After the European War, According to Former Counselor John B. Moore.

NEW YORK, Dec. 8.—John Bassett Moore, former counselor of the state department in an address before Tuesday's session of the International Trade Conference, expressed the opinion that the United States, at the conclusion of the European war, would find it necessary to revise or supplement all existing commercial treaties with the countries now at war.

"In spite of the prevailing uncertainty as to the duration of the present war," Mr. Moore said, "the commercial world is anxiously looking forward to the time when normal trade relations will be restored and competition again become general and active."

"It is an admitted principle of international law that, with the exception of engagements especially applicable to a state of hostilities, war abrogates all treaties between the belligerents of an executive nature, under which category are embraced commercial agreements. It will therefore, be necessary, when peace is re-established, for the countries now at war to take up without delay the question of the conditions and regulations of trade."

"With the exception of Russia, with whom the treaty of commerce and navigation of 1832 had lately been terminated, the United States at the outbreak of hostilities had commercial treaties with all of the belligerents. As the United States remained neutral those treaties have not been disturbed, but it is by no means certain that they will not have

to be revised or supplemented, in order to meet new arrangements between the countries now at war."

Mr. Moore discussed the various reciprocity agreements during the last six months and expressed the opinion that while reciprocity in many cases proved of considerable benefit to the countries entering the agreement, reciprocity agreements between the United States and South American countries had never been successful. In discussing general trade with Latin America countries, Mr. Moore expressed doubt that the mercantile community of the United States had as yet shown a capacity to fully meet the situation in Latin America.

UNKNOWN WOMAN

Struck by an Automobile and Knocked Down but Not Seriously Injured.

An aged woman of Stanley Heights whose name was not learned was struck by an automobile driven by Guy Hulderman at the corner of Fourth and Pike streets at noon Tuesday and knocked to the pavement, receiving bruises but no other injuries.

The car was going at a slow rate of speed when the woman stepped against it, the rear fender of the car striking her. Occupants of the car said she was watching an approaching street car and did not see the automobile.

Mr. Hulderman, the driver of the car, picked the woman up and took her to her home in Stanley Heights, but was unable to learn her name.

SERIOUSLY INJURED

Is William Loughery of Wilsonburg When Struck by a Train.

W. L. Loughery, of Wilsonburg, is a patient in a local hospital suffering with a fractured skull, a broken rib and internal injuries which he received at 8 o'clock Tuesday morning when he was struck by a Baltimore and Ohio train near Wilsonburg.

Trainmen who say the engine strike Loughery rushed to his side and seeing that he was seriously injured, he was taken to the local station and from there to the hospital where his injuries were treated. While his injuries are serious it cannot be determined yet whether they will be fatal or not.

Goodbye Curling Iron! Better Method Found

Don't burn the life out of your hair with that instrument of torture, the curling iron. There is nothing that will so surely dry out and break off the hair, giving it that ragged, unkempt appearance.

You will be glad to learn that you can keep your hair beautifully wavy and curly by using a perfectly harmless liquid known to druggists as "silmerine." You need only apply a little with a clean toothbrush before retiring and in the morning you will be most agreeably surprised with the effect. And this effect lasts for a considerable time, so a small bottle goes a long way and is quite economical to use. Pure silmerine is really beneficial to the hair and there is no greasiness, stickiness or anything unpleasant about it. It is a good idea to divide the hair into strands and moisten these one at a time, drawing the brush down the full length.

MINER STABBED

In Fight at Northview and Fellow Workman Is Jailed as Assailant.

Boleslaw Lapek, a miner employed at the Corona coal mine at Northview, is a prisoner in the county jail while John Jakubec, a fellow miner, is in a serious condition at his home suffering from knife wounds said to have been inflicted by Lapek when the two quarreled Monday night at the Corona mining settlement.

Particulars of the fight have not as yet been reported to officers. Lapek is charged with feloniously cutting Jakubec and a hearing of the charge is to be held in Magistrate William E. Sturchev's court as soon as the outcome of the injured man's wounds is known. Constable Charles McVicker arrested Lapek Monday night at Northview.
